If you purchased this training, you are automatically on the VIP Email List. We are forming small Launch Groups to help you launch your Kindle Short Reads. We just really want to see some publishing success stories!

So make sure you stay on my email list because that's where all the announcements will take place. If you have any doubts about not being on the list, email me and I will make sure to add you:

Insider Training:

The following training is PROVEN EFFECTIVE. This is the best of the best that I can possibly offer. It's taken me years to perfect these strategies. They absolutely work, and they keep on working. I'm the type of person

who tests and then re-tests EVERYTHING. Effectiveness is a big deal with me!

[One-Page Royalty Streams](#)

This training is about EDITABLE one-page micro-content. These are simple one-pagers that the customer buys from you, and then edits them with free software. Because customers can CUSTOMIZE these one-pagers for their own lifestyle, they are willing to pay much more for them.

[Azon Royalty Generator](#)

This is a method to create a one-page book on Amazon and to get FREE PERMANENT advertising directly on Amazon's website. Yes, free ads for your book basically forever. The royalty stream from these tiny books can be quite substantial.

[Micro-Content Rapid Royalties](#)

This training is about a woman who did everything wrong when she created a simple 9-page book, but made over \$5,000 dollars from it. I'm not kidding when I tell you that the book is only NINE pages. This tiny book was a life changer for her.

[Micro-Series Bestseller Royalties](#)

This is about an author who writes little 10-page books very quickly and then connects them in a big series. He pretty much slaps these books together, but he dominates the bestseller lists and his royalties are off the chart. He also has a free method to get even more sales, and most authors don't know anything about this feature.

Godspeed to you and all your micro-content projects! Now is the time to launch your micro-content because short work has never been more in demand. There's so much opportunity out there for you. You just need to reach out and take it. If you need any further guidance or help, you can always contact me:
